TECHNICAL SERVICES

Kristina Xuan, MD of GMCG China and Leslie Mezzich of Palau International Ship Registry (PISR) recently attended the Ship Broker Annual meeting in Shanghai on behalf of GMCG. Now in its 5th year, this prestigious industry forum is attended by stakeholders from across the maritime industry from China and beyond. This year, the key theme was China's ambition to become an international shipping centre. GMCG was invited to participate as a delegate speaker and Leslie spoke about the services that that GMCG can offer to a global shipping centre such as Shanghai, in support of its ambitious growth plans to become a world shipping centre by 2020, along with Tianjin and Dalian.

Delegates gather on stage at the 5th Ship Broker Annual Forum, Shanghai, November 29 2017

Leslie addresses the forum on behalf of GMCG

The GMCG team held meetings with many customers and also welcomed visitors during the forum and held discussions on numerous industry issues

The GMCG team welcomed visitors and customers to their display area

As China's role on the global shipping stage goes from strength to strength, GMCG is excited about the opportunities that lie ahead to further establish our portfolio of technical, legal and management consultancy services.
